

## Aito shops Night Patrol to US

MIPTV: US-based Scott Sternberg Productions and Weinberger Media have picked up rights to two formats from Finland's Aito Media.

Sternberg and Weinberger, which produce *On The Case With Paula Zahn* for Investigation Discovery, have taken US format rights to reality series *The Day Before I Die*, which features celebs discussing what they would do if they had only a day to live; and police camera show *The Night Patrol*, in which cameras follow police across cities.

Both series are sold globally by Small World IFT. Aito also announced that a third 56-episode season of *The Night Patrol* is going into production for Finnish broadcaster Channel Jim.
