CAN I
FOLLOW
YOU HOME ?

A Taxi Ride Which Opens the Doors to People's Lives

Synopsis

In the award-winning ***Can I Follow You Home?*** commuters who find themselves stranded in the city late at night are offered a free cab ride in exchange for a peek into their home and their lives.

Whether the participants were travelling, working late or partying, with no advance warning, they welcome the camera crew and the viewers into their homes, where they open up on their views on life, their hopes and dreams...albeit after midnight!

This authentic, sometimes hilarious, sometimes emotional depiction of people who camera crews meet randomly on the street, achieved double the average ratings in its slot on TV TOKYO.
